One Italian Summer by Rebecca Serle

When Katy's mother dies, she is left reeling. Carol wasn't just Katy's mom, but her best friend and first phone call. She had all the answers and now, when Katy needs her the most, she is gone. To make matters worse, their planned mother-daughter trip of a lifetime looms: two weeks in Positano, the magical town Carol spent the summer right before she met Katy's father. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone.
